

THEY COME TROOPING ALONG

The various wants that arise in the household. Careful purchasers—no matter how large or how small the means—want to expend that money at the store where **best results are obtained.** It's a chain we substitute—by prices—by customers—by qualities—that it **pays to trade at our store.** You can buy of us in perfect confidence.

THE CORRECT QUALITIES

In ladies' and children's hose—
the fast color, long wearing quality, at exceptionally reasonable prices—satin and black—of the kind that most dealers ask you 35 cents for our price 25¢ per pair. Ladies fine imported velveteen hose, worth 75¢, our price 50¢; Children's tan hose, special at 10¢ per pair; Men's fast black, our price, 10¢. Special corset values, at 50¢ and 25¢. There's nothing better for the price. Dresses fitted over the grades of corsets—worn in distinctive. Only leading makes.

MEN'S FURNISHINGS.

The usual fifth grade of Men's undershirts, now 25¢. An extra value. The better grade—earlier in the season sold for 75¢, now 50¢. Men's negligee shirts—in the newest colorings—they combine comfort with style, special at 75¢. Good shirts as low as 50¢. Men's heavy seamless socks, two pairs for 25¢. Men's full-fashioned hose—extra value—blacks or tan, 25¢ per pair; Men's ties—bands, bows, tecks, new and most correct always—each 25¢ and up.

IT WILL PAY

To "spend" your fall and winter trade at our store. There's a crisp tone to our prices, there's the quality back of them, and then if anything we sell you goes wrong, we stand ready to protect you.

You Needn't Wait;

It's quick work to receive a suit made to your measurements. They do it right, too. They're perfect in every way—absolutely correct, and the most perfect satisfaction guaranteed. Back of the guarantee is the fashionable tailoring house of Edward Rose & Co., Chicago. Suits at \$13.00.

Scott's Emulsion

of Cod-Liver Oil with Hypophosphite, can be taken as easily in summer as in winter. Unlike the plain oil it is palatable, and the hypophosphite that are in it aid in digestion and at the same time tone up the system.

For sickly, delicate children, and for those whose lungs are affected, it is a mistake to leave it off in the summer months. The dose may be reduced if necessary.

We recommend the small size especially for summer use, and for children, where a smaller dose is required. It should be kept in a cool place after it is once opened.

For sale by all druggists at 25¢ and 50¢.
